PREAMBLE

The Parties agree that other purposes of this Agreement are to establish specific contractual provisions, to promote and maintain harmonious and fair relationships between the Parties, and to provide means acceptable to both parties for settling disputes which may arise between them from time to time.

Cape Breton University is dedicated to pursuing innovative goals made possible by the unique combination of educational and other resources available in the University. This Agreement is intended to provide the flexibility of operation necessary to achieve these goals.

Existing practices or procedures of personnel not covered by this Agreement performing work similar to that done by employees in the Bargaining Unit shall not be changed by this Agreement, provided that this does not cause the layoff of any employee in the Bargaining Unit.

ARTICLE 1 - DEFINITIONS

1.01 For the purpose of this Collective Agreement:

- (a) "Union" means the Nova Scotia Government and General Employees Union.
- (b) "Bargaining Unit" means all full-time employees coming within the classifications outlined in Schedule I of this Agreement.
- (c) "Day", unless otherwise stated, means a work day.
- (d) "Day of Rest" means an assigned day off after or in relation to the regularly scheduled days of work in the work week.
- (e) "Employee" means a person included in the bargaining unit as a permanent and/or probationary employee.
- (f) "Employer" means the Board of Governors of Cape Breton University or its delegated representatives.
- (g) "Layoff" means a suspension of active employment as a result of a reduction of work required to be done by the Employer.
- (h) "Leave of Absence Without Pay" means to be absent from duty with permission, but without pay.
- (i) "Lockout" means the closing of a place of employment, a suspension of work, or a refusal by the Employer to continue to employ a number of his employees, done to compel his employees, or to aid another Employer to compel his employees to agree to terms or conditions of employment.
- (j) "Resignation" means voluntary termination of employment initiated by an employee.
- (k) "Rest Period" means a paid interval which is included in the work day.
- (l) "Same Sex and Common Law Spouse" means a person who, for at least a one continuous year period, lives with an employee in an intimate relationship publicly held out as "marriage-like".
- (m) "Service" means total accumulated months of continuous employment with the Employer from date of hire. In the case of a person who has one or more appointments other than a probationary or permanent appointment (a "first appointment") and who is subsequently appointed to a probationary or permanent position within the bargaining unit which begins immediately following the end of a "first appointment", (i.e., without any break in continuous employment between those appointments), the date of hire shall be the commencement date of the most recent period of continuous employment. i.e. An employee hired September 1, 1997, as a term employee and who, while still

employed, applies for and is the successful candidate for a permanent position, without a break in service, leaves his term position and starts probation in the permanent position on September 1, 1999, will have a hire date of September 1, 1997.

- (n) "Strike" means a cessation of work, or refusal to work, by employees in combination or in concert or in accordance with a common understanding.
- (o) "Termination" means the separation of an employee from his employment with the Employer.

1.02 Unless any provisions of this Agreement otherwise specify, words importing the masculine gender shall include females.

1.03 This Collective Agreement will be the agreement under which all negotiable items are bargained.

ARTICLE 2 - RECOGNITION

2.01 The Employer recognizes the Union as the exclusive bargaining agent for employees in this bargaining unit.

2.02 It is agreed that where this Agreement specifies official written communication between the Employer and the Union, such communication will be effected by the Union when it sends such communication to the Director, Human Resources of the Employer or his delegate and by the Employer when it sends such communication to the Employee Relations Officer or his delegate, together with a copy to the President of Local 18 of the Nova Scotia Government and General Employees Union.

2.03 The provisions of this Agreement are binding on the Employer, the Union and the employees.

2.04 No employee shall be required or permitted to make a written or oral agreement with the Employer or its representatives which may conflict with the terms of this Agreement.

2.05 (a) Persons employed by the Employer who are not members of the bargaining unit or who hold term appointments referred to in Article 12 shall not perform work which has been well established as being work which is part of the regular work duties and responsibilities of the employees in the bargaining unit, if doing so causes employees in the bargaining unit to be laid off or to work fewer than their normally scheduled hours.

(b) However, paragraph (a) above will not apply when it is necessary for a non-bargaining unit employee or non-term appointee to perform such work in an emergency or when doing instruction or training of employees (including demonstrating the proper method to accomplish an assigned task) or in doing experimental work.

- 2.06 (a) Students may be hired as student employees provided such employment does not cause the lay-off of any employee in the bargaining unit, or prevent the recall, of any laid off employee in the bargaining unit.
- (b) The season for employing summer students will normally be confined to a period between April 10 and September 10 in any one year during regular working hours. Students may be employed after September 10th on a limited capacity not to exceed fifteen (15) hours per week and not beyond October 31st.
- (c) Students may be employed at the Canada Games Complex during the normal operating season of the facility. Such students will assist the bargaining unit employees in the performance of their duties but be restricted from performing work for which they are not qualified.
- (d) The Employer may hire students who are engaged in a recognized work/study program at a school or university whose course of study requires or permits the student to participate in study-related work programs as an integral part of a degree or diploma requirement. The Employer will inform the Union when such employment is going to occur.
- (e) The rates of pay as defined in the Collective Agreement shall not apply to students.
- (f) The supervision of student employees will not be the responsibility of members of the bargaining unit.

ARTICLE 3 - FUTURE LEGISLATION

- 3.01 In the event that any law passed by the Legislature applying to the employees covered by this Agreement renders null and void any provisions of this Agreement, the remaining provisions of this Agreement shall remain in effect for the term of this Agreement.

ARTICLE 4- MANAGEMENT RESPONSIBILITIES

- 4.01 It is the exclusive function of the Employer to manage, which function, without limiting the generality of the foregoing, includes the right to determine employment, appointment, complement, organization, work methods and procedures, kinds and location of equipment, size, location and arrangement of work space, discipline and termination of employment, assignment, classification, job evaluation system, merit system, training and development, appraisal and the principles and standards governing promotion, demotion, transfer, layoff, and re-appointment.
- 4.02 All the functions, rights, powers, and authority which the Employer has not specifically abridged, deleted, or modified by this Agreement are recognized by the Union as being retained by the Employer.

- 4.03 Subject to relevant legislative requirements for employees and the Union, it is the exclusive function of the Employer to enforce safety and other regulations.
- 4.04 The Employer agrees that management rights will not be exercised in a discriminatory manner or in a manner inconsistent with this Agreement.

ARTICLE 5 – STRIKE AND LOCKOUT

- 5.01 The Union will not sanction, encourage, or support, financially or otherwise, a strike by the bargaining unit or any of its members during the term of this Agreement.
- 5.02 The Employer will not cause a lockout.

ARTICLE 6 – NO DISCRIMINATION

- 6.01 The Parties agree that there will be no discrimination on the basis of:

- race
- religion
- colour
- sex
- national origin
- creed
- marital status [including same sex spouses as defined in Article 1.01(I)]
- family status
- age
- political belief, affiliation or activity
- physical or mental disability
- ethnic or aboriginal origin
- sexual orientation
- place of residence
- HIV status
- source of income
- first language
- membership or legal activity in the Union

except where, as recognized by the Nova Scotia Human Rights Act, any of the aforementioned bases is either a bona fide qualification or reasonably precludes performance of the employee's duties and responsibilities, or is a reasonable limit prescribed by law as can be demonstrably justified in a free and democratic society, subject, however, to the Parties' respective duties to accommodate.

ARTICLE 7 – MEETINGS AND BULLETIN BOARD SPACE

- 7.01 The Employer will provide bulletin board space for the posting of notices pertaining to elections, appointments, meeting dates, news items, social and recreational affairs.
- 7.02 The Employer, where facilities permit, shall make available to the Union specific locations on its premises for the placement of bulk quantities of literature of the Union.
- 7.03 The Employer shall, on reasonable notice, allow Union meetings to be held on the premises.

ARTICLE 8 - INFORMATION

- 8.01 The Employer agrees to supply each employee of the bargaining unit with a copy of this Agreement, within thirty (30) days, following the signing of this Agreement. The Employer shall provide each new employee with a copy of the Collective Agreement upon hiring.
- 8.02 A bargaining unit employee shall be advised in writing as to whether his appointment is term, probationary, or permanent, and of his classification status.
- 8.03 Upon request, an employee shall be entitled to a complete and current statement of duties and responsibilities of his position. The Employer will ensure that position descriptions are reviewed and revised when necessary at periodic intervals but under no circumstances shall that interval be in excess of three (3) years.
- 8.04 The Parties agree to have printed, in booklet form, sufficient copies of this Agreement, the cost of which shall be shared equally by the Employer and the Union.
- 8.05 The Employer will ensure that for those employees who do not have access to a computer at the workplace, or are unable to utilize a computer, that all information pertaining to employees (including but not limited to, information related to benefits, position vacancies, policies, events, “all-employee emails” and University wide bulletins) be provided to them in hard copy by posting it to the bulletin boards in the boiler room/lunch room and the Canada Games Complex on a daily basis. Employees provided with a cell phone for work-communication purposes will prevent access to the cell phone by unauthorized individuals.

ARTICLE 9 - STEWARD

- 9.01 The Employer acknowledges the right of the Union to appoint employees as stewards.
- 9.02 The Union shall determine the jurisdiction of each steward having regard to the plan of organization, the distribution of employees at the workplace, and the administrative structure implied by the grievance procedure.

9.03 It is understood that the steward as a member of the Union has his regular work to perform on behalf of the Employer. It is acknowledged that grievances should be presented and serviced as soon as possible and that if it is necessary to service a grievance during working hours, employees will not leave their jobs without giving an explanation. Permission will not be unreasonably withheld. The steward shall report back to his Employer before resuming the normal duties of his position.

9.04 The duties of Shop Steward shall include:

- (a) investigation of complaints of an urgent nature;
- (b) investigation of grievances and assisting any employee whom the steward represents in presenting a grievance in accordance with the grievance procedure; and
- (c) attending meetings at the request of the Employer.

ARTICLE 10 - CHECKOFF

10.01 The Employer shall, as a condition of employment, deduct from the bi-weekly pay of each employee in the bargaining unit, including permanent and probationary employees, and term employees referred to in Article 12.09, whether or not the employee is a member of the Union, the amount of the regular monthly dues payable to the Union by a member of the Union.

10.02 The Union shall inform the Employer in writing of the authorized deduction to be checked off for each employee mentioned in Article 10.01.

10.03 For the purpose of applying Article 10.01, deductions from pay for each employee will start with the first bi-weekly pay period of employment.

10.04 The amounts deducted in accordance with Article 10.01 in each month shall be remitted to the Secretary-Treasurer of the Union within fourteen (14) days of the date of the last deduction made in that month, and shall be accompanied by particulars identifying each employee and the deductions made on his behalf.

10.05 The Union agrees to indemnify and save the Employer harmless against any claim or liability arising out of the application of this article, except for any claim or liability arising out of an error committed by the Employer.

10.06 The Employer shall advise the Union of the appointment of each new probationary or permanent employee, or of the cancellation or termination of each such appointment within five (5) work days after the date of such appointment, cancellation, or termination, unless circumstances warrant an extension of this period.

10.07 The Employer agrees to record the amount of said dues on the T4 slips of all employees paying same.

ARTICLE 11 – TIME OFF FOR UNION BUSINESS

11.01 Leave Without Pay

Where operational requirements permit, and on reasonable notice, special leave without pay shall be granted for union business:

- (a) to a reasonable number of employees who are members of the Board of Directors of the Union for attendance at Board meetings;
- (b) to a reasonable number of employees who are delegates to attend conventions of the Union's affiliated bodies including, NUPGE, CLC, and the Nova Scotia Federation of Labour;
- (c) to a reasonable number of employees who are members of standing Committees of the Union to attend meetings of such standing Committees;
- (d) to a reasonable number of employees who are members of the Executive of the Nova Scotia Federation of Labour to attend Executive meetings of the Nova Scotia Federation of Labour;
- (e) to members of the bargaining unit Negotiating Committee of the Union for attendance at a reasonable number of Committee meetings;
- (f) to a reasonable number of employees to attend educational programs sponsored by the Union.

Permission for such leave shall not be unreasonably withheld.

11.02 Unpaid Leave Cost Recovery

The Employer will continue the salary and benefits of employees who are granted leave without pay in accordance with Article 11.01 and the Union will reimburse the Employer for its employee costs in respect of such leaves in accordance with existing practice.

11.03 Annual Convention/Collective Bargaining Workshop

- (a) Where operational requirements permit and on reasonable notice, the Employer shall grant special leave with pay for periods not exceeding two (2) days and special leave with pay for traveling time for such portion of the working day prior to and following the meeting as may be required to a reasonable number of employees who are elected or appointed as registered delegates to attend the annual Convention/Collective Bargaining Workshop of the Union. Permission for such leave shall not be unreasonably withheld.
- (b) The Union shall notify the Employer of the names, including the Department in which the employee(s) is employed, of the registered delegates to the Annual

Meeting or Collective Bargaining Workshop of the Union at least three (3) weeks in advance of the meeting.

11.04 Contract Negotiations

Where operational requirements permit, and on reasonable notice, the Employer shall grant special leave with pay for not more than three (3) employees for the purpose of attending contract negotiation meetings with the Employer on behalf of the Union. Such permission shall not be unreasonably withheld.

11.05 Arbitration and Joint Consultation

Where operational requirements permit, and on reasonable notice, the Employer shall grant special leave with pay to employees who are:

- (a) summoned to attend as a witness before an arbitration board;
- (b) meeting with management in joint consultation pursuant to Article 24.

11.06 Grievance Meetings

Where operational requirements permit, and on reasonable notice, the Employer shall grant special leave with pay to an employee for the purpose of attending grievance meetings with the Employer.

11.07 No Loss of Service and Seniority

While on leave for Union business pursuant to this article, an employee shall continue to accrue and accumulate service and seniority credits for the duration of her leave, and her service and seniority shall be deemed to be continuous.

11.08 Information and Alternative Arrangements

For better certainty, the Union will confirm to the Employer its authorization of the leaves in writing, including the names of employees to be granted leaves under Articles 11.01, 11.03, 11.04, 11.05, and 11.09 and the beginning and end dates of such leaves.

11.09 Full-Time President of NSGEU

In the event an employee in the bargaining unit becomes Provincial President of the Nova Scotia Government and General Employees Union, he may request an unpaid leave of absence. If operational requirements permit, and on reasonable notice, the Employer may grant such leave, but if granted, it shall be only for up to two (2) years, with the possibility of a further one (1) year extension at the Employer's sole discretion. Should such leave be granted, the employee may, provided he pays both Employer and employee portions of the cost and provided permission to do so is granted by the carrier of any benefit plan, maintain coverage of benefit plans during any such leave. Upon reasonable notice prior to the end of the term of the employee's office as such President, he will be reinstated in the position he held

immediately prior to commencement of such leave if such position continues to exist or if that position no longer exists, to an available comparable position.

ARTICLE 12 - APPOINTMENT

12.01 Probationary Appointment

- (a) An employee appointed or hired in a full-time permanent position in the bargaining unit shall be on probation for a period not to exceed twelve (12) months.
- (b) At approximately the mid-point of the probationary period referred to in (a) above, the Employer will provide the employee with a written assessment of his progress to that point in his probationary period.

12.02 The Employer may terminate a probationary appointment at any time.

12.03 The Employer shall, after an employee has served in a position on a probationary basis for a period of twelve (12) months, confirm the appointment on a permanent basis.

12.04 If the employment of an employee appointed to a position on a probationary basis is to be terminated for reasons other than deliberate misconduct or disobedience or neglect of duty, the Employer shall advise the employee in writing, and if the employee so requests, give reasons, not less than ten (10) days prior to the date of termination.

12.05 Where less notice in writing is given than provided for employees terminated in accordance with the provisions of Article 12.04, the employee shall continue to receive his pay for the number of days prior to the date of termination.

12.06 Where a permanent employee whose employment is terminated for any reason is reappointed to his former position within a year from the date of such termination, he shall resume his permanent employee status and have the same hire date that was in effect at the date of such termination and shall not be subject to a further probationary period pursuant to Article 12.01. In this case, the term "former position" refers to the same block in the organizational chart of the Department where previously employed. For example, a permanent employee with a hire date of June 1, 1995, terminates, then is re-hired within one (1) year of his termination. The hire date at date of termination having been June 1, 1995, that would be the hire date that the employee would have after re-hire.

12.07 Term Appointment

A specified term appointment may be made:

- (a) to replace an employee who is on extended leave of absence; or
- (b) for a special assignment of limited duration; or

- (c) in circumstances where the activity for which the employee is engaged is terminal and/or predictable duration.
- (d) to make appointments for such other reasons as may be agreed upon by the Union, which agreement will not be unreasonably withheld.

12.08 A term appointee may apply for any position opening in the bargaining unit which occurs during his term appointment. His period of employment in the term position at the time of application will be counted as service with the Employer. Should he apply unsuccessfully, or not apply at all, for a position opening, he will have no seniority claim on any position, and he may be released at the conclusion of his term appointment.

12.09 (a) Where a specified term appointment is for a period of five (5) consecutive calendar months or more, the employee shall be a member of the bargaining unit from the initial date of the term appointment until the earlier of termination pursuant to clause 12.10 or the expiry of his appointment;

(b) If the initial term appointment is for a period of less than five (5) consecutive calendar months and the appointment is extended or renewed, the appointee shall become a member of the bargaining unit on completion of five (5) consecutive calendar months of employment beginning on the date his appointment is so extended or renewed until the earlier of termination pursuant to clause 12.10 or the expiry of his appointment.

12.10 The Employer may terminate a term appointment at any time. If the termination is for reasons other than just cause, unsatisfactory performance, or lack of funding for the position, the term appointee shall receive one (1) week's pay for each month, or part thereof, of the unexpired term of his term appointment.

12.11 While a term appointee is a member of the bargaining unit in accordance with clause 12.09, he shall be covered, to the extent indicated, by the following provisions of the Collective Agreement:

- (b) If a bargaining unit employee receives a term appointment, he will be subject to the above clauses dealing with term appointments, except that clause 12.11 will not apply and, during such term appointment, for the purposes of employment entitlements, he will be treated as if he continued to be a non-term permanent employee, and at the conclusion of the term appointment will return to his former position with no loss of salary or benefits (however, if clause 12.10 is applied, he will not be entitled to any payment there under but will return to his former position).

- (c) appoint the individual to one, and only one, further term appointment of up to twelve (12) months, with the written approval of the Union, which approval will not be unreasonably withheld.

A term employee hired to replace a bargaining unit member who is off work due to extended illness or injury, may be hired for a period of up to forty-eight (48) months. In such case, the provisions of Article 12.13 (c) about shall not apply.

12.14 Casual Appointment

A casual employee may be hired to work in the following capacities:

- i) On an “as needed” basis and not regularly scheduled; or
- ii) One hired for an indefinite term for a period not to exceed five (5) consecutive months.

A casual employee is not a member of the bargaining unit and is not covered by the terms of the Collective Agreement. Employees employed in a term position of five (5) consecutive months or greater are members of the bargaining unit as in Article 12.09.

- (i) The normal work week for the Rink Attendants (Stationary Engineer - Refrigeration) referred to in Schedule I during that period of the year when the Ice Plant is in operation, shall be thirty seven and one-half (37.5) hours worked per week, exclusive of meal breaks of thirty (30) minutes per work day (commencing when the employee ceases work and ending when the employee resumes work, e.g. when an employee is involved in a job that requires him, for safety reasons, to put equipment away before starting his break, the work ceases after he puts such equipment away) but inclusive of two (2) fifteen minute paid rest periods, and the normal work day shall be scheduled between the hours of 6:00 a.m. and 1:00 a.m., Monday through Sunday, both inclusive. Where the needs of the operation necessitate, work may be scheduled outside the normal work day or standard work week following consultation with the employees.
- (ii) The normal work week for the Rink Attendants (Stationary Engineer - Refrigeration) referred to in paragraph B of Schedule I during that period of the year when the Ice Plant is not in operation, shall be thirty-five (35) hours worked per week, exclusive of meal breaks of thirty (30) minutes per work day (commencing when the employee ceases work and ending when the employee resumes work, e.g. when an employee is involved in a job that requires him, for safety reasons, to put equipment away before starting his break, the work ceases after he puts such equipment away) but inclusive of two (2) fifteen minute paid rest periods, and the normal work day shall be scheduled between the hours of 7:30 a.m. and 4:30 p.m., Monday through Friday, both inclusive. Where the needs of the operation necessitate, work may be scheduled outside the normal work day or standard work week following consultation with the employees.

- 13.02 The Employer agrees to post shift schedules at least two (2) weeks in advance, and that there will be no change in posted schedules except following meaningful consultation with the employee(s) or in the event of an emergency (for example, when there is an operational situation which can cause significant harm to people or damage to the physical premises or equipment) or as provided in Article 13.03.
- 13.03 Provided sufficient advance notice is given, and with the approval of the Employer, employees may exchange shifts without incurring overtime and without an increase in cost to the Employer.
- 13.04 The Employer shall endeavour, where possible, to provide that no employee should be scheduled to work more than five (5) consecutive days in a one (1) week period. The two (2) days off in each week shall run consecutively. This does not preclude shift arrangements, acceptable to both the Employer and the employees of the Employer in variance to the foregoing. **Employees working a 12-hour rotation will have days off determined by the schedule.**

13.05 The Employer may, where operational requirements and efficiency of the service permit, authorize experiments with flexible working hours.

ARTICLE 14 - OVERTIME

- 14.01 (a) "Overtime" means authorized work in excess of an employee's regular work day. An employee shall be entitled to time and a half compensation for each hour of overtime worked by him. The employees may, with the approval of the Employer, take time off in lieu of pay for overtime hours worked at the appropriate rate.
- (b) Employees who are called out to work for snow removal prior to the start of the regularly scheduled shift will be compensated for each hour of overtime worked prior to the commencement of the regular shift at double time for the time worked. Employees shall be entitled to one fifteen (15) minute paid break prior to their regularly scheduled shift.
- (c) An employee must work at least fifteen (15) minutes beyond his normal shift before being eligible for overtime compensation.
- (d) In computing overtime, a period of thirty (30) minutes or less shall be counted as one-half ($\frac{1}{2}$) hour, and a period of more than thirty (30) minutes, but less than sixty (60) minutes shall be counted as one (1) hour.

14.02 "Time and a half" means one and one-half ($1\frac{1}{2}$) the employee's straight time rate calculated by the formula:

$$\frac{\text{bi-weekly rate}}{70} \times 1.5$$

"Double Time" means two times (2x) an employee's straight time rate calculated by the formula:

$$\frac{\text{bi-weekly rate}}{70} \times 2$$

"Double time and a half" means two and one-half ($2\frac{1}{2}$) the employee's straight time rate calculated by the formula:

$$\frac{\text{bi-weekly rate}}{70} \times 2.5$$

14.03 An employee who is required to work overtime on his first scheduled day of rest shall be paid time and a half for all hours worked by him. If an employee is required to work overtime pursuant to this clause and on that day is also required to work more than his regular daily hours of work, each such additional overtime hour worked shall be compensated at the rate of two times (2x) the employee's regular straight time hourly rate.

14.04 An employee who is required to work overtime on his second or subsequent day of rest is entitled to compensation at double time for all hours worked. Second or subsequent day of rest means the second subsequent day in an unbroken series of

consecutive and continuous calendar days of rest. If an employee is required to work overtime pursuant to this clause and on that day is also required to work more than his regular daily hours of work, each such additional overtime hour worked shall be compensated at the rate of two and one-half times (2½ x) the employee's regular straight time hourly rate.

14.05 Meal Allowance on Overtime

An employee who is required to work a minimum of two (2) overtime hours immediately following completion of his regularly scheduled day's work, and where it is not practical to enjoy his usual meal time before commencing such work, shall be granted reasonable time with pay, as determined by the Employer, in order that he may take a meal break either at or adjacent to his place of work. Under such conditions, he shall be reimbursed his expenses for one meal in the amount of **twelve** dollars (\$**12.00**) at the completion of two (2) hours of overtime and then **twelve** dollars (\$**12.00**) for every four (4) hour period of overtime thereafter except where free meals are provided.

14.06 Subject to operational requirements, the Employer shall make every reasonable effort:

- (a) to rotate overtime assignments on a fair and equitable basis among readily available and qualified employees;
- (b) to give the first right of refusal to the employee who is normally assigned to do the work which requires the overtime; and
- (c) to give employees who are required to work overtime adequate notice of this requirement.

14.07 Where an employee is required to work overtime and during the overtime hours performs duties other than the duties of his regular position as directed by his supervisor, he will be compensated for the overtime work on the basis of his regular rate of pay or at the rate applicable to the duties performed, whichever is greater.

At the request of the employee, compensation for overtime hours worked at the applicable overtime rate shall be paid where time off with pay in lieu of overtime worked has not been granted. If the employee requests time off, he must advise the Employer at the time the overtime is worked (within that pay period) and the Employer will assess whether or not the request can be accommodated.

Prior to December 31 of each year, the Employer will review the overtime bank of each employee. If the employee and the Employer cannot mutually agree on a time to take the banked overtime within the next six (6) month period, the bank or a portion of it will be paid out to the Employee prior to June 30 at the applicable overtime rate.

ARTICLE 15 - VACATIONS

15.01 Vacations shall be earned in one fiscal year (April 1 - March 31) to be taken in the immediately following fiscal year (April 1 - March 31). An employee shall be entitled to receive annual vacation leave with pay as follows:

- (a) during the employee's initial year of employment, at the rate of one and one-quarter (1.25) days per each month of service, e.g. employee is hired October 1, 1999 will receive in the April 1, 2000 - March 31, 2001 vacation year seven and one-half (7.5) days ($6 \times 1.25 = 7.5$);
- (b) after having completed his first year of employment and during his first forty-eight (48) months of service, at the rate of one and one-quarter (1.25) days for each month of service to a maximum of fifteen (15) days;

e.g. employee hired June 1, 1998, will receive twelve and one-half (12.5) days ($10 \times 1.25 = 12.5$) in the April 1, 1999 - March 31, 2000 vacation year and will receive fifteen (15) days ($12 \times 1.25 = 15$) in the April 1, 2000 - March 31, 2001 vacation year, and so on;

- (c) after having completed forty-eight (48) months of service, at the rate of one and two-thirds (1.67) days for each month of service to a maximum of twenty (20) days;

e.g. employee hired June 1, 1994, will have completed forty-eight (48) months service on June 1, 1998. His vacation entitlement for the April 1, 1999 - March 31, 2000 vacation year will therefore be a combination from two different entitlement rates, i.e.

April 1, 1998 - May 30, 1998 - 15 days x 2/12	=	2.5 days
June 1, 1998 - March 31, 1999 - 20 days x 10/12	=	16.67 days (rounded to 17)
Total		19.5 days

- (d) after having completed one hundred and eighty (180) months of service, at the rate of two and one-twelfths (2.08) days for each month of service to a maximum of twenty-five (25) days;

e.g. employee hired June 1, 1982, will have completed one hundred and eighty (180) months service on June 1, 1997. His vacation entitlement for the April 1, 1998 - March 31, 1999 vacation year will therefore be a combination from two different entitlement rates, i.e.

April 1, 1997 - May 31, 1997 - 20 days x 2/12	=	3.33 days (rounded to 3.5)
June 1, 1997 - March 31, 1998 - 25 days x 10/12	=	20.83 days (rounded to 21)
Total		24.5 days

- (e) after having completed three hundred and twenty-four (324) months of service, at the rate of two and one-half (2.5) days for each month of service to a maximum of thirty (30) days:

e.g. employees hired June 1, 1982 will have completed three hundred and twenty-four (324) months of service on June 1, 2009. His vacation entitlement for the April 1, 2010 – March 31, 2011 vacation year will, therefore, be a combination from two different entitlement rates:

April 1, 2009 – May 30, 2009 - 25 days x 2/12 = 4.2 days (rounded to 4.5 days)

June 1, 2009 – March 31, 2010 - 30 days x 10/12 = 25 days

Total 29.5 days

- (f) **A term employee hired for a period of eight (8) months or more shall earn vacation at the rate of one and one-quarter (1.25) days per each month of service. Term employees shall use their vacation in the year in which it is earned and there shall be no payout for unused vacation.**

Where a term employee hired for a period of less than eight (8) months and is receiving 4% vacation pay has his term extended so that the total period of the term appointment will be eight (8) months or more, the employee will move to the accrual system outlined above effective the start of the pay period immediately following the date of extension. In this event, the employee will no longer receive the 4% vacation pay.

- (g) each year an additional five (5) days for Rink Attendant (Stationary Engineer - Refrigeration) employees. Those non-Rink Attendant (Stationary Engineer - Refrigeration) employees who, during that portion of the year when continuous operation of the ice plant is in effect, replace Rink Attendant (Stationary Engineer - Refrigeration) employees (other than on normal relief day work) will receive one (1) additional day's vacation for every thirty (30) of such shifts worked in the immediately previous April 1 - March 31 period, to a maximum of five (5) additional days;
- (h) each employee in the bargaining unit shall be entitled to an additional two and one-half (2.5) vacation **days for the February break days.**
- (i) when, in the vacation earning year (April 1 - March 31), an employee is not actively at work due to absence on Workers' Compensation, on long term disability, on sick leave, or other approved paid leave, no deduction from the vacation the employee would have earned in that period if in active employment shall be made if the total of such absence in that period is four (4) months or less.

For each additional month of absence in that period, the employee will have deducted from the maximum vacation he otherwise would have earned, the amount at his then rate of vacation entitlement per month of service, e.g. an

employee is absent for the first four (4) months of the period April 1, 2000 - March 31, 2001, then back to work for four (4) months, then off for the last four (4) months of the period and his service as of that April 1 is between 60 months and 204 months, will earn or lose as follows:

- earns for the first four (4) months of his absence:
20 days x 4/12 = 6.66 days (rounded up to 7 days)
- earns for the four (4) months when employee is at work:
20 days x 4/12 = 6.66 days (rounded up to 7 days)
- loses for the four (4) months when not at work:
20 days x 4/12 = 6.66 days (rounded down to 6 because maximum entitlement is 20 days)

SUMMARY: Earns - 14 days vacation
Loses - 6 days vacation

- (j) If an employee is absent for any of the reasons noted in (i) and such absence includes the whole of a vacation earning year (April 1 - March 31) and he continues to be so absent into the next vacation earning year or beyond, he will not be entitled in that 2nd vacation earning year, or beyond, to earn any further vacation unless and until he returns to active employment. At any time during such an absence, the affected employee may request that he be paid the value of any vacation credits then owing to him, in which case, vacation will be deemed to have been taken and no further pay will be required.

- 15.02 Except as otherwise provided in the Agreement, vacation leave entitlement shall be used within the year in which it is earned. The employee shall advise the Employer in writing of his vacation preference as soon as possible for the following vacation year, but before March 31st in each year.
- 15.03 Preference in vacation schedule shall be given to those employees with greater length of bargaining unit seniority as defined in Article 38.01(b) within the work unit provided the provisions of Article 15.05 are adhered to.
- 15.04 Subject to the operational requirements of the service, the Employer shall make every reasonable effort to ensure that an employee's written request for vacation leave is approved. Where, in scheduling vacation leave, the employer is unable to comply with the employee's written request, the Employer shall:
- (a) give the reason for disapproval; and
 - (b) make every reasonable effort to grant an employee's vacation leave in the amount and at such time as the employee may request in an alternate request.
- 15.05 Where operational requirements necessitate a decision by the Employer to place a restriction on the number of employees on vacation leave at any one time, preference shall be given to employees with greatest length of bargaining unit seniority.

- 15.06 Where operational requirements permit, the Employer shall make every reasonable effort to grant to an employee his request to enjoy his vacation entitlement in a single unbroken period of leave.
- 15.07 Except as otherwise provided for in this Agreement, vacation leave for a period of not more than five (5) days may, with the consent of the Employer, be carried over to the following year. If by January 31st, the employee has not scheduled the carried over vacation, the Employer will provide an opportunity for the employee to request the time off. If not used before the close of that year, the Employer may schedule the vacation time. Requests for carry-over entitlement shall be made in writing by the employee to the Employer not later than January 31st of the year in which the vacation is earned provided, however, that the Employer may accept a shorter period of notice of the request.
- 15.08 An employee, with the approval of the Employer, may be granted permission to carry over five (5) days of his vacation leave each year to a maximum of twenty (20) days, if in the opinion of the Employer, it will not interfere with the efficient operation of the Institution.
- 15.09 The vacation leave approved pursuant to Article 15.08 shall be used within five (5) years, subsequent to the date on which it was approved, and shall lapse if not used within that period, unless the Employer approves a further extension of the time to take the vacation leave which would otherwise have lapsed.
- 15.10 On the approval of the Employer, an employee who has been employed in the Institution for a period of five (5) or more years may be granted five (5) days from the vacation leave of the subsequent year.
- 15.11 An employee, upon separation from the Institution, shall be compensated for vacation leave to which he is entitled.
- 15.12 An employee, upon separation from the Institution, shall compensate the Employer for vacation which was taken but to which he was not entitled.
- 15.13 When the employment of an employee, who has been granted more vacation with pay than he has earned, is terminated by death, the Employee is considered to have earned the amount of leave with pay granted to him.
- 15.14 An employee is entitled once each fiscal year to be informed upon request of the balance of his vacation leave with pay credits.
- 15.15 The Employer will make every reasonable effort not to recall an Employee to duty after he has proceeded on vacation leave.
- 15.16 Where, during any period of vacation leave, an employee is recalled to duty, he shall be reimbursed for reasonable expenses, subject to the provisions of Article 25, that he incurs:

- (a) in proceeding to his place of duty (other than when he comes from his home); and
- (b) in returning to the place (other than to his home) from which he was recalled, if he immediately resumes vacation leave from which he was recalled.

15.17 The period of vacation leave so displaced resulting from recall and transportation time in accordance with Article 15.16 shall either be added to the vacation period, if requested by the employee and approved by the Employer, or reinstated for use at a later date.

15.18 When the Employer cancels or alters a period of vacation which it has previously approved in writing, the Employer shall reimburse the employee for the non-returnable portion of vacation contracts and reservations made by the employee in respect of that period subject to the presentation of such documentation as the Employer may require. The employee must advise the Employer of the maximum potential liability under this article at the time the vacation change is proposed.

16.06 If the employee chooses time off in lieu of pay, he must advise the Employer of his wishes at the time he works the holiday (within that pay period). Prior to March 31st of each year, the Employer will review the holiday bank with each employee. If the employee and the Employer cannot mutually agree on a time to take the banked holidays, within the next six (6) month period, the bank or portion of it will be paid out to the employee prior to September 30th at the applicable rate.

- (b) The period of such leave of absence shall be included as part of the twelve (12) months continuous service requirement for a meritorious increment.

17.10 Leave for Personal Reasons

- (a) An employee who seeks leave of absence without pay for personal reasons (which will include leave for the purpose of taking military training or serving military duty to a maximum of eight (8) weeks) shall be granted that leave, if the departmental schedule permits. The period of that leave is not included within the twelve (12) months service requirement for the purposes of an increment but will not cause a break in service. Any meritorious increment shall be deferred for a maximum period equal to the time his service is less than twelve (12) months. Seniority will not accumulate during the leave. The employee may continue group benefits coverage, but not pension, during such leave, provided the employee pays both Employer and employee portions of the required group benefit plan premiums and the request is approved by the benefit carrier. - 18.03 (a) Where a continuing full-time employee in the bargaining unit has been on long term disability for at least two (2) continuous years and the Employer determines it necessary to fill his position on a continuing full-time basis, the following shall apply:

- (c) An employee in receipt of long term disability benefits will not be terminated for a period of four (4) years (beginning the first day of absence from work due to illness). - (d) An employee who is in the process of making application for long term disability or who has had his initial application for long term disability denied and is actively in the process of appealing that decision will not have his employment terminated while the process is ongoing.

ARTICLE 19 – EMPLOYEE PERFORMANCE REVIEW AND PERSONAL FILE

The employee may, if he wishes, have his steward present when the review takes place.
- 19.02 Upon written request of an employee, and reasonable notice, the personal file for that employee may be made available at least once per year for his examination in the presence of the responsible administrator.

- 19.03 All documents submitted by third parties shall be available to the employee except documents, such as a reference, which a third party provides on the express basis that it is confidential.

ARTICLE 20 – DISCIPLINE AND DISCHARGE

- 20.01 (a) No employee shall be disciplined or discharged except for just and sufficient cause.
- (b) Where a supervisor intends to interview an employee as part of an investigation that may result in disciplinary action, the employee shall have the right to have a steward present at any such interview. If the employee concerned is a steward, he shall have the right to have another representative of the Union present, if he so desires. Provided the Employer has acted in good faith, failure to have such steward present will not invalidate any disciplinary action taken against the employee.
- 20.02 Where an employee is disciplined by suspension without pay, or by discharge, the Employer shall, within five (5) working days following the suspension or discharge, notify the employee and Local Union President in writing of the reasons for the suspension or discharge.
- 20.03 Under extenuating circumstances, an employee may be suspended immediately by his immediate supervisor. Except where the employees conduct is so serious that it would be inappropriate to continue his pay, such suspensions shall normally be with pay.
- 20.04 Where an employee alleges that he has been suspended or discharged in violation of Article 20.01, he may within ten (10) days of the date on which he was notified in writing, or within twenty (20) days of the date of the suspension or discharge, whichever is later, invoke the grievance procedure, including provisions for arbitration, and for the purpose of a grievance, alleging violation of Article 20.01, he shall lodge his grievance at the final level of the grievance procedure.
- 20.05 Where it is determined that an employee has been disciplined by suspension without pay, or by discharge, in violation of Article 20.01, and the Employer decides or an Arbitration Decision rules, that the employee be reinstated in his former position without loss of seniority, regular pay or any other benefit which would have accrued to him if he had not been suspended or discharged, the employee will be so reinstated on those terms. Such pay shall be paid to him at the end of the next complete pay period following the reinstatement.
- 20.06 The Employer agrees not to introduce as evidence in a hearing relating to a disciplinary action any document from the file of an employee, the existence of which the employee was not aware of at the time of filing.
- 20.07 Notice of a disciplinary action which may have been placed on the personal file of an employee shall be destroyed after three (3) years have elapsed since the

disciplinary action was taken provided that no further disciplinary action has been recorded during this period.

ARTICLE 21 – NOTICE OF LAYOFF AND RESIGNATION

21.01 An employee in the Bargaining Unit may be laid off because of shortage of work, shortage of funds, technological change, reorganization of a function, or because of an elimination of a position.

21.02 In the event of layoff, where ability and qualifications are relatively equal, employees with the least bargaining unit seniority within the affected job classification shall be laid off first. For the purpose of this Article, **the** job classifications **are** detailed in article 38.05.

The laid off employee shall have the right to displace the most junior person in the bargaining unit if he meets the minimum qualifications for that position. If he does not meet the minimum qualifications, he shall have the right to displace the next most junior employee in the bargaining unit where he does meet the minimum qualifications. Transfer within a job classification shall be in accordance with Article 38.02.

For example, there are two carpenters employed and there is to be a layoff of one carpenter. The most junior of the two carpenters is laid off. The laid off carpenter has the right to displace the most junior person in the bargaining unit if he meets the qualifications. The most junior person in the bargaining unit is a plumber. Because the carpenter is not qualified to do this job, he cannot displace the plumber. The second most junior person in the bargaining unit is a **Labourer**. Because the carpenter is qualified to do **the work of this position**, he has the right to displace that person. The **Labourer** is then laid off.

The laid off **Labourer** has the right to displace the most junior person in the bargaining unit if he meets the qualifications. The most junior person in the bargaining unit is a plumber. If the **Labourer** is not qualified to do this job, he cannot displace the plumber and is therefore laid off. If the **Labourer** is qualified to do the job (i.e. he is a journeyman plumber), then because he is qualified, he has the right to displace that person and the plumber would be laid off. Because the plumber is the junior employee in the bargaining unit, he has no opportunity to displace another employee and he would be laid off.

21.03 Where ability and qualifications are relatively equal, recall shall be in reverse order of layoff.

21.04 Should an employee fail to report in response to recall within ten (10) days, the employee will be deemed to have abandoned his job.

21.05 When an employee(s) is to be laid off, the Employer will advise the Local President and the Employee Relations Officer assigned to the local twenty (20) days before the anticipated date of layoff and meet and engage in meaningful consultation with

the Union with the view to possible minimizing of the adverse effects of the decision to layoff the employee(s).

21.06 The Employer shall not layoff an employee who has completed his probationary period without having given at least:

- (a) twenty (20) days notice in writing to the employee, if his period of employment is less than five (5) years;
- (b) forty (40) days notice in writing to the employee if his period of employment is five (5) years or more, but less than ten (10) years;
- (c) sixty (60) days notice in writing to the employee if his period of employment is ten (10) years or more.

21.07 Where less notice in writing is given than provided in Article 21.06, the employee shall continue to receive his pay for the number of days for which he was required to be in receipt of such notice.

21.08 No new employee shall be hired unless all employees on layoff who are able to perform the work required are given an opportunity to be recalled.

21.09 (a) If an employee is on layoff for more than **twenty-four (24)** months without recall, the layoff shall then automatically become a termination of employment and any right of recall shall fully lapse.

(b) At the end of the layoff period referred to in Art. 21.09(a) i.e., **twenty-four (24)** months, when employment has terminated and recall rights have lapsed, the employee shall be granted a severance payment the equivalent to:

- (i) one (1) months pay if she has been employed for ten (10) years but less than fifteen (15) years;
- (ii) two months pay if he has been employed for fifteen (15) years but less than twenty (20) years;
- (iii) four (4) months pay if he is employed for twenty (20) years or more.

Provided the employee is fifty (50) years or older and has at least ten (10) years of continuous service, he shall be entitled to receive a service award in accordance with Article 28.

The amount of severance shall be based on an employee's service as defined in Article 1.01(m) and shall be calculated by the formula:

$$\text{bi-weekly rate} \times 26/12 = \text{one month}$$

21.10 Upon recall, the benefits accrued to the credit of the laid off employee up to the date of his layoff will be reinstated.

21.11 If any employee desires to terminate his employment, he shall forward a letter of resignation to the Employer or delegated official not less than ten (10) days prior to the effective date of termination, provided, however, that the Employer or delegated official may accept a shorter period of notice. An employee who fails to provide ten (10) days notice of his intention to terminate his employment may have deducted from monies owed him by the Employer a sum equivalent to the salary payable to him for the period of notice which he failed to work.

ARTICLE 22 – GRIEVANCE PROCEDURE

At such discussion, the employee may have a steward present if so desired. The supervisor shall, within three (3) days of the discussion, provide his written answer to the employee.

(c) When any potential grievance has not been settled by the foregoing informal procedure, if the employee wishes to pursue the matter, the procedures specified in Article 22.03 shall apply.

22.02 (a) Where the grievance relates to the interpretation or application of this Collective Agreement, or an arbitral award, an employee is not entitled to present the grievance unless he has the approval in writing of the Union, or is represented by the Union.

If the employee does not receive a reply or satisfactory settlement of his grievance from the Director, Human Resources or his designate, the employee may refer his grievance to arbitration as provided in Article 23.

- 22.04 In any case where the employee presents his grievance in person or, in any case in which a meeting is held on a grievance at any level, the employee shall be accompanied if he wishes, by a steward or other representative of the Union.
- 22.05 In determining the time in which any step under the foregoing proceedings is to be taken, Saturdays, Sundays and recognized holidays shall be excluded.
- 22.06 At the request of either party to this Agreement, it may be mutually agreed to extend, in writing, the time limits specified herein or omit a step of the grievance procedure.
- 22.07 Where either party to this Agreement disputes the general application, interpretation, or alleged violation of an article of this Agreement, the dispute shall be discussed initially with the Employer's Director, Human Resources or the Local Union's President, as the case may be, within thirty (30) days of the date on which the matter giving rise to the grievance occurred. Where no satisfactory resolution of the dispute is reached, either party may, within a further thirty (30) days after such discussion, submit the dispute to arbitration in accordance with Article 23 of this Agreement.
- 22.08 Where a grievance has not been submitted to arbitration by the grievor within ninety-five (95) working days of the first occurrence of the event giving rise to the grievance, it shall be deemed to have been abandoned. This time limit will be amended by any extension of days agreed to in Step 1 and Step 2 and may otherwise be extended as per Article 22.06. For purposes of this Article, a grievance shall be considered to have been submitted to arbitration upon the receipt of notice from the Union by the Employer or by application to the Minister of Labour.

ARTICLE 23 - ARBITRATION

- 23.01 Either of the parties may, after exhausting the grievance procedure in Article 22, notify the other party within forty five (45) days of the date the final reply in the grievance procedure was or should have been received, of its desire to refer the grievance to arbitration by giving written notice of such desire within this time limit.
- 23.02 Where the parties are agreed that a matter should be referred to a Single Arbitrator and:

- (a) they are able to agree upon the Arbitrator, then such Arbitrator shall be properly notified;
- (b) they are unable to agree upon the Arbitrator then the Minister of Labour for Nova Scotia shall make the appointment.

- 23.03

The Board, or Single Arbitrator, shall have the power to dispose of a discharge or discipline grievance by any arrangement which it deems just and equitable. However, the Board, or Single Arbitrator, shall not have the power to change, alter, modify, or amend any of the provisions of this Agreement.

24.02 The parties may meet in joint consultation regarding issues of concern to the bargaining unit and/or the Employer (such as but not limited to, workload, hours of work, assignment of overtime, implementation of new practices, unfilled vacancies), provided that such issues are not the subject of a grievance. Either party will provide notice to the other of the need for such a meeting. A mutually acceptable date will be established for the joint consultation meeting and an agenda will be agreed upon prior to the meeting date.

In the event it is alleged that any of them is in violation of their said obligations, any person adversely affected by such violation shall be required to pursue remedies provided by such legislation by following the procedures contained therein, and not grievance or arbitration under this Agreement, except that the grievance and arbitration provisions of this Agreement shall apply where it is alleged that the Employer has failed to pay salary or a benefit entitlement, or has taken, or threatened to take discriminatory action, contrary to the relevant provisions of the Act.

31.02 The Employer shall provide marked areas, equipped with first-aid kits, for the use of employees who are either injured or taken ill during working hours.

31.03 The Employer will provide and maintain those facilities, equipment, supplies, procedures, training and services required by the Act to protect the health and safety of employees as they carry out their employment responsibilities on the Employer’s premises.

31.04 (a) The Employer agrees to continue a University-wide Joint Health and Safety Committee (the “Committee”) comprised of representatives of the unions, representatives of other relevant constituent groups, and the Employer.

(b) An employee who is a member of the Committee is entitled to time off from work with pay, as is necessary, to attend meetings of the Committee, to take any training prescribed by the Act or its Regulations, and carry out the employee’s functions as a member of the Committee. On a case by case basis, the Employer will consider granting time off with pay to an employee Committee member for the purpose of taking training recommended by the Committee.

31.05 The Employer will consult with the Union with a view to adopting and expeditiously carrying out reasonable procedures and techniques designed or intended to prevent or reduce the risk of employment injury and employment related chronic illness.

31.06 In the interests of occupational safety and health of employees, the Employer will continue to provide in-service programs of instruction as recommended and approved by the Committee.

- 31.07 The Employer shall provide, and the employees shall make use of, protective equipment, whenever such equipment is required by the Act or its Regulations for the safe and healthy performance of their employment responsibilities.
- 31.08 A pregnant employee may request a job reassignment prior to commencing her pregnancy leave by forwarding a written request to the Employer together with written certification from a duly qualified medical practitioner that she is pregnant and that her continued use of machinery or equipment in the workplace may pose a threat to her health or that of her unborn child. The Employer reserves the right to require the employee to be assessed on the latter point, at its expense, by a physician of its choice. Upon receipt of such request and provision of such proof, the Employer will endeavor to assign the pregnant employee to an alternative position, or to alternative duties, or make some other arrangement mutually satisfactory to the employee and the Employer. If no such arrangement can be made, the employee shall commence her pregnancy leave early.

ARTICLE 32 – PROTECTIVE SAFETY ARTICLES

- 32.01 Employees shall be entitled to be reimbursed for the cost of the following: work clothing which will include, but not be limited to, coveralls, insulated coveralls and safety shoes of suitable quality to a maximum in total of **four hundred dollars (\$400.00)** per fiscal year upon providing receipts satisfactory to the Employer.
- 32.02 All employees are required to wear safety equipment and protective clothing as directed by the Employer. Failure to do so will be just cause for discipline.

ARTICLE 33 – TECHNOLOGICAL CHANGE

- 33.01 The Employer agrees to provide as much advance notice as it practicable but not less than three (3) months notice to the Union of technological change in equipment or methods which would result in changes in the employment status or working conditions of employees, as provided for in this Agreement. In addition, the Employer agrees to consult with the Union with a view to resolving problems which may arise as a result of the introduction of such technological change.
- 33.02 In the event of technological change or other change causing job elimination, the Employer will seek ways and means of minimizing adverse effects on employees which might result from such change. If a reduction in the working force is to be

made, employees will be laid off and recalled in accordance with the provisions of Article 21.

ARTICLE 34 – JOB POSTING AND FILLING OF VACANCIES

- 34.01 If existing employees with the necessary qualifications are available, the Employer shall make promotion from within its existing employees on the basis of job performance and ability and if two or more of such employees in the Employer's opinion are equal in job performance and ability, the employee with the most bargaining unit seniority will be awarded the promotion. To be considered qualified, an applicant must meet the minimum requirements set forth in the job description for the position. The Employer may advertise externally and receive applications for such position from external candidates at the same time it posts the available position, provided, however that no external candidate will be considered until the Employer has fully processed all applicants who are existing employees in the Bargaining Unit and has determined that no current bargaining unit applicant is qualified.

- 34.04 Within thirty (30) calendar days of the closing date of a posting, a general announcement shall be posted on the results or, where this is not practicable, applicants will be advised of the delay.
- 34.05 The Employer shall supply a copy of all postings to the Union.
- 34.06 When an employee submits an application for a posting for which he was not successful, the employee may request the reasons therefore from the Chair of the hiring committee.

The Employer agrees that positions within the bargaining unit shall remain part of the bargaining unit.

ARTICLE 35 - EXCLUSIONS

35.01 It is acknowledged that there is difficulty in establishing a service-wide policy for determining managerial and/or confidential exclusions. The Parties further agree that cognizance shall be given to the type of organization and to the degree to which employees at varying levels are involved in the process of employer-employee relations.

The Parties to this Agreement agree that managerial exclusions shall be determined by negotiation and mutual agreement between the Employer and the Union.

35.02 The guidelines to be considered in negotiating exclusions shall be:

- (a) position incumbents employed for the primary purpose of exercising senior management functions;

- (c) a sufficient number of position incumbents to represent management in matters relating to labour relations, taking into account both operational and geographic considerations.

35.03 In the event that both Parties are unable to agree on what positions should be excluded, either party may apply to the Labour Relations Board, Province of Nova Scotia, for a hearing on the question. The decision of the Labour Relations Board will then be binding on both parties.

ARTICLE 36 – PAY AND CLASSIFICATION

36.01 Rates of pay contained in the appended Salary Schedule I form part of this Agreement.

36.02 The Employer agrees to provide the President of the Union with a copy of a job description for each of the positions listed in Schedule I of this Agreement.

36.03 Overtime, shift differential, standby, callback and meals shall be calculated and paid separately. The pay stub will clearly indicate the totals under each heading.

36.04 There shall be no pyramiding of any of the premiums provided for under this Agreement.

36.06 The rate of compensation of a person upon appointment or promotion to a position may be a rate higher than the minimum rate prescribed for the classification if, in the opinion of the Employer, such higher rate is necessary to effect the appointment of a qualified person to the position or if he has the qualifications in excess of the minimum requirements for the position.

ARTICLE 37 – CONTRACTING OUT

37.01 It is agreed that members of the bargaining unit shall not be laid off as a result of work which they are qualified to perform being contracted out to other sources.

37.02 The Employer agrees not to contract out work which is well established as being work which is part of the regular work duties and responsibilities of the employees in the bargaining unit until the union (the Shop Steward of the Local and the Employee Relations Officer of NSGEU) has been advised in writing.

- (i) The notice will occur when the Employer is reasonably aware that an external contractor may be required, and where possible, will provide one (1) week's notice.
- (ii) Upon request, the Employer will meet with representatives of the Union and give reasonable consideration of the suggestions from the Union of means by which some or all of the work involved in the proposed contracting out may be done by employees in the bargaining unit who are presently willing, available, and qualified to do such work.
- (iii) Notice may be provided after the fact in an emergency situation such as flooding, loss of power or other urgent situation where loss of university resources may occur, or situations where there is danger to students or employees. Upon request, the Employer will meet with representatives of the Union to discuss the contracting out, and consider any suggestions.

37.03 If the Employer sells or transfers its business, either within the jurisdiction of the Province of Nova Scotia or of the Government of Canada, it will fully comply with all of its legal obligations under the Nova Scotia *Trade Union Act* or the *Canada Labour Code*, whichever is applicable.

37.04 Subject to the above provisions, employees of the bargaining unit will perform all maintenance work to structures and areas presently being maintained by them, as well as on new structures.

Such top-up will be deducted from the employee's sick leave bank. For example, top-up from 75% Workers' Compensation will equal 25% or a ¼ day of sick leave per full day of Workers' Compensation.

- 43.02 Employees in the bargaining unit as of November 3, 2000 shall have a short term disability benefit for a period of 87 days per year.
- 43.03 This short term benefit may be used for day-to-day incidental illness and to provide income protection during the elimination period for Long Term Disability (LTD). - (b) An employee shall not be considered to be acting outside the scope of his duties because of a mere error in judgment made in good faith.
- (c) In order to qualify for such legal assistance, the employee shall be obligated to cooperate fully in all respects with both the Employer and the legal counsel provided to such employee.
- (d) In the event the employee voluntarily retains his own legal counsel with respect to such matter, the Employer shall be relieved of all obligations under this Article.
- 44.02 (a) If the Employer subsequently concludes that the employee claimant intentionally misled the Employer and was not qualified for such legal assistance, any reasonable costs paid by the Employer to such legal counsel shall be repayable by the employee.
- (b) If the Employer concludes that the claimant does not qualify, the Employer shall have the right to withdraw such legal counsel from proceedings upon reasonable notice.
- (c) If the Employer fails to provide legal assistance which should have been provided under this Article, the employee may file a grievance for recovery of all legal costs reasonably incurred by the employee because of such failure.

LETTER OF UNDERSTANDING – 2

The Public Service Superannuation Plan (PSSP) - Service Award for NSGEU, MOS.

The Pension Advisory Committee has engaged in consultation with all groups on campus regarding the feasibility of transitioning to the Nova Scotia Public Service Superannuation Plan (PSSP). In the event that the Board of Governors of Cape Breton University approves the transition to the PSSP, and in the event that the embers of NSGEU, Local 18 – MOS – provide a mandate to make such a transition, the Parties agree that effective the day of transition to the PSSP, Article 28 – Service Awards will continue to apply only to those employed on a permanent basis prior to the date of transition to the PSSP.

Effective the date of transition to the PSSP, the Parties agree that employees hired into a classification with an associated salary (Step 3 rate) that is equal to or greater than the Year's Maximum Pensionable Earnings (YMPE) will not be eligible for a Service Award.

For clarity, and as examples:

The Board of Governors and the NSGEU Local 18 – MOS – have voted to participate in the PSSP with a transition date of July 1, 2016. An employee hired into a permanent position at the Trades 2 rate on December 1, 2016 and on that date, the Step 3 Trades 2 rate exceeds the YMPE. In this event, Article 28 – Service Awards will not be available to this employee, and the employee will not be eligible for any Service Award at the time of retirement.

The Board of Governors and the NSGEU Local 18 – MOS – have voted to participate in the PSSP with a transition date of July 1, 2016. An employee hired into a permanent position at the Trades 2 rate on December 1, 2016 and on that date, the Step 3, Trades 2 rate is less than the YMPE. This employee will be grand-parented, and Article 28 – Services Awards will continue to apply to this employee, even if the Step 3, Trades 2 rate exceeds the YMPE at some future date.

In addition to the above, the Parties acknowledge that a decision to transition to the PSSP will require modification to the terms of the collective agreement, and shall meet to review any required adjustments to contract language.

APPENDIX "A"

Effective the Fall of 2016

During the time the heating plant operates on a 24 hour/seven day per week (24/7) basis, the Heating Plant Operators will work a twelve (12) hour rotation which will normally consist of a thirty-two (32) week period (four (4) eight-week blocks) with a start date determined by the Employer:

1. The hours of work in the twelve (12) hour shift rotation will normally include twenty-eight (28) shifts of eleven (11) hours of work over an eight (8) week period, exclusive of meal breaks. The shift pattern will normally include two (2) day shifts (7 a.m. to 7 p.m.) and two (2) night shifts (7 p.m. to 7:00 a.m.) covering all days of the week as scheduled by the Employer;
2. The shift will include an unpaid meal break of sixty (60) minutes per work and include three (3) fifteen (15) minute paid rest periods. The sixty (60) minute unpaid meal-break may be broken into two (2) thirty minute periods (unpaid). Where an employee is involved in a job that requires him, for safety reasons, to put equipment away before starting his break(s), such break(s) will not include the time required to either put equipment away or get equipment out;
3. Where the needs of the operation necessitate, work or shifts may be scheduled outside the normal work day or standard work week following consultation with the employees;
4. The twelve (12) hour shift rotation results in three hundred and eight (308) hours of work over the eight (8) week period compared to the two hundred and eighty (280) hours worked in a thirty-five (35) hour work week. The employee's pay will be averaged (smoothed) over the 8-week period and shall include the straight time equivalent for the additional twenty-eight (28) hours of work;
5. Payment for the extra twenty-eight (28) hours of work at the straight-time hourly rate (based on the annual salary scale in Schedule I) will result in an actual salary that is at variance with Schedule I;

Use of Vacation, Sick and Holiday Time

6. Accrual of vacation, sick and holiday time is not affected by the 12-hour rotation. Accrual of vacation, sick and holiday time is based on a seven (7) hour shift, however the use and recording of vacation, sick and holiday time is based on hours worked – eleven (11) in each shift. For clarity:

Example 1- Vacation: When the Heating Plant is in operation and an employee is authorized to take a vacation day, the vacation leave will be recorded as eleven (11) hours used. (A vacation day used when the Heating Plant is not in operation will remain at seven (7) hours.)

Example 2: Sick leave: When the Heating Plant is in operation and an employee utilizes two (2) days of sick leave, this will be recorded as twenty-two (22) hours of sick leave used. (Two sick days used when the Heating Plant is not in operation will remain fourteen (14) hours.)

Example 3: Holiday Time: When working the 12-hour shift rotation, an employee who receives approval to use a Holiday shall use eleven (11) hours from his Holiday bank.

Reconciliation as a result of "smoothing":

7. In the event an unpaid leave of absence occurs during the eight-week period outlined, the employee will have hours of work reconciled by using vacation/holiday time if they have not worked the appropriate number of hours, or have any extra hours scheduled as time off if they have worked more than the appropriate number of hours;
8. In the event the employee resigns, retires or is terminated during the eight-week period, the employee will have hours of work reconciled with a reduction of vacation/holiday time (in the event insufficient hours have been worked) or be paid out at the straight time for any additional hours worked if they have worked more than the appropriate number of hours.

Holidays

9. a) Christmas Eve: Each employee working a full shift on Christmas Eve Day, where Christmas Day falls on Tuesday, Wednesday, Thursday, Friday or Saturday, will have three and one-half (3.5) hours added to his vacation bank.
10. a) Premium rates on the Holiday: The Holiday is the twenty-four hour period from 00:00 to 24:00 and employees are compensated at the premium rate for hours worked on the holiday.

Example 1: An employee who commences the night shift on November 10 will not be paid a premium rate for the hours between 19:00 and 24:00. The employee will be paid the premium rate for the hours worked between 00:00 and 07:00 on November 11.

Example 2: An employee who works the night shifts on December 26th and December 27th will be paid the premium rate for the hours worked between 19:00 and 24:00 on December 26th but will not be paid the premium rate for hours between 00:00 and 07:00 on December 27th.

- b) Holiday during Period of Sick Leave: Where a day that is a designated holiday for an employee as defined in Article 16.01 falls within a period of leave with pay, the holiday shall not count as a day of leave. When working a twelve-hour (12) shift rotation, a holiday falling within a period of sick leave shall be recorded as seven (7) hours of holiday time and four (4) hours of sick time.

Workers' Compensation

11. In the event an employee is injured during the performance of their duties at CBU and in receipt of Workers' Compensation benefits, the Employer will top-up the employee's entitlement under Workers' Compensation to equal 100% of the employee's salary. Such top-up will be deducted from the employee's sick leave bank. For example, top-up from 75% Workers' Compensation will equal 25% or three (3) hours of sick leave

Overtime

12. Overtime means authorized work in excess of an employee's regular work day. For clarity, the regular work day for employees working a 12-hour shift rotation is eleven (11) hours.
